SEPTEMBER 2018

Welcome friends of the Kei Lin Foundation to our September 2018 Newsletter.

MESSAGE FROM THE TRUSTEE MARGARET TSAI

I would like to continue to explain who I am and my passion to carry on. Mother Kei Lin was very impressed that I kept old passport We both kept our precious relationship in our hearts. Her fortune was made by simple motivation of a women's desire to make a good living for her and her daughter. Kei Lin's five years of joyful period was her best. To-Zan Limited, her company was her trophy, her labor product. "Single person without family" is a timely conservation of happiness you will enjoy sharing, just to meet "get to know you". Consequently, this reminded me of our Mr. Jason Harvie who hired as my Assistant to my Trust in 2007. He is also single without family. He is a Trustee of the Kei Lin Foundation. Mr. Tsai's agonizing death and Kei Lin's departure to spiritual world almost wiped out ten years of an unfortunate legal struggle that spread between Tokyo and Solvang. That was physically and mentally disadvantageous to aging body in travelling, jetlag in each direction for days. Investment in Real Estate brought me to Solvang where I acquired the old Hitchcock property which I attempted to develop into an equestrian ranch I named "Happy Cloud Ranch". The lesson learned was without strong and loyal management staff it turns into a money pit with disastrous results.
